

President's Message:

Jean Burns Slater

In this time of uncertainty, we need ways to get control of our lives. This quick message may help.

“Anything that annoys you is teaching you patience.

Anyone who abandons you is teaching you how to stand up on your own two feet.

Anything that angers you is teaching you forgiveness and compassion.

Anything that has power over you is teaching you how to take your power back.

Anything you hate is teaching you unconditional love.

Anything you fear is teaching you courage to overcome your fear.

Anything you can't control is teaching you how to let go and trust the Universe”

— Jackson Kiddard

PROPOSED SLATE OF OFFICERS 2025-2026

The nominating committee presented the following slate of officers for 2025-2026 at the March general meeting: Co-Presidents Susan Gray, Patti Melsheimer, and Mary Weeks; Co-Secretaries Pam Zirion and Jean Burns Slater; Treasurer Mary Jorstadt. Voting will take place at the April 28 Annual Meeting with installation at the May 17, End of Year Celebration

MAY BOARD MEETING

The May Board meeting will be held Monday, May 5 at 6:30 p.m. via Zoom. If you or your committee have an action item to place on the agenda, forward it to Jean Burns Slater, jbslater2006@gmail.com, by May 1 for it to be considered at this meeting.

MEMBERSHIP DUES

The cost of everything is rising and we are finding that the dues for National AAUW is increasing by \$2 for 2025-2026 and AAUW CA membership is voting for a \$10 increase. To cover these anticipated increases our AAUW Broad is asking for our dues to increase to \$120, an increase of \$15. Currently our dues have been \$105 for several years.

We determine any dues increase by vote at our Annual Meeting on April 28, when we also vote on our slate of officers. The result of the California vote will not be counted until after we hold our annual meeting and determine our dues for 2025-2026. Therefore, we are asking for this increase in anticipation of the AAUW CA dues increase.

Here is a breakdown of your current AAUW dues:

Five Cities Pismo Beach Branch receives \$13 per member from the \$105 annual dues.

National receives \$72 and CA receives \$20 of the \$105.

Our Branch has absorbed National dues increases in the past to avoid raising overall dues for members. National will raise their dues to \$74 in 2025 and \$76 in 2026

California AAUW has not raised their dues for 10 years. Branch members have seen significant improvement in the responsiveness, web site resources and projects from AAUW CA. We have been honored to have the Past President Sandi Gabe and the Past Public Policy Chair Kathi Harper visit our Branch personally. Kathi came to our Branch activities twice. We have received an excellent webinar on Project 2025 and have benefited from the School Board Project and many other aspects of AAUW CA. AAUW CA Public Policy is well thought out and supported by AAUW CA actions through Lobby Day, publishing flyers of priorities, advocating throughout the State. Gov Trek, Tech Trek, Speech Trek are all AAUW CA programs. Reference www.aauw-ca.org for a quick look at the robust web site and available resources.

If we approve this dues increase of \$15, for an annual dues of \$120, we will have covered the expected increase for CA dues and the increase of National dues for 2026.

Thank you for supporting your local, state, and national AAUW.

LUNCH BUNCH, MAY 1 THURSDAY 11:15 a.m.

Many of you have expressed an interest in visiting the old McClintock's restaurant in Arroyo Grande. The new owner of Vik's Creek Saloon, 133 Bridge St. in Arroyo Grande was a former employee of McClintock's. Our visit at this popular restaurant requires us to gather at 11:15 to assure a table for seven or eight of our attendees. Can we meet that challenge! Yes, we can and part of the reward for doing so is that breakfast and lunch menus are available at that time. Even though it is crowded, you will have no trouble with parking because Vik's has its own, sizable parking lot. Email Carole Dempsey at medipharmix@aol.com to sign up.

Kokku Sushi, Pismo Beach, April 2025

LET'S TALK TRAVEL

Next Let's Talk Travel meeting will be May 19, Monday at 12:30 p.m. at Greenhouse Coffee in Arroyo Grande. Join us!

TECH TREK

Sunday afternoon, June 8th, the five branches of AAUW in San Luis Obispo County will be holding an Ice Cream Social for the girls going to Tech Trek this summer. Set up for the event is at 1:00 pm at the Daisy Hill Mobile Home Park in Los Osos. The event is from 2:00 until 4:00. If you are available to help with set up, dish up ice cream, or pour water for the campers and their families, please contact Linda Lidberg at lswl@aol.com. Carpooling is advised as parking

is limited. Linda Lidberg Branch Tech Trek Coordinator

We are still looking for a Tech Trek co-chair to learn the process and help select campers. Please respond to this very important request by contacting Linda Lidberg.

The Directors were so impressed with the quality of applicants that they allocated additional funds from the investment account to assist these young women in pursuit of their education.

Five Cities Pismo Beach AAUW Members, you are investing in the future! Thank you.

Women In History

A long- time project needs a breath of fresh air. Our Branch has presented portrayals of Women in History in the classrooms for over 30 years. Unfortunately, we have received fewer request for speakers these last few years.

We need:

- a few more members to join our women in doing the presentations in the classroom. Pick a character. Modify the script. Create the costumes. Memorize. Go visit the kids. (Jan. - Mar.)
- an individual to send out hardcopy notifications for teachers to request speakers in the classrooms. (Time required: 1 - 2 hrs. for 1-2 days in early Feb.)
- an individual to organize and schedule the requests from the teachers. (Time required: 1-2 hrs. for 2-3 days in late Feb.)
- a small group to create the annual March meeting for our branch. (Time required: 1-2 hrs. on 1 - 2 days via Zoom for planning in early Jan.).

Contact Kathy Cohon to provide this service to the students of Lucia Mar.

Women's HISTORY MONTH

AID FOR AVID.

Our Branch has a long-standing relationship, supporting the AVID programs in the Lucia Mar schools. AVID stands for Advancement Via Individual Determination. AVID's mission is to close the opportunity gap by preparing all students for college and career readiness and success in a global society. Our Branch donates supplies to AVID Senior classes.

The AAUW Board has approved \$1000 to provide supplies for all the senior AVID classes.

In addition to paper, pencils, tape, and dry- erase markers, the AVID program is requesting specific items like post- it notes, plastic folders to separate and organize paperwork for each class taken, lap-sized whiteboards to use in tutoring groups and dry - erase markers to use on those boards. Items are being purchased and will be delivered to senior AVID classes at Arroyo Grande, Nipomo and Central Coast New Tech High Schools. We are University women helping students. Yes! Thank you. Kathy Cohon

Get Ready for Silent Auction!

On Saturday, November 15th we will have our annual fundraising event of Bingo & Silent Auction at Saint John's Church in Arroyo Grande.

Each year we have this fundraising event that enables us to award scholarships, Tech Trek camperships and free books to 2nd, 4th, and 6th graders with our Eager Readers program! We make it happen because of you—by selling tickets, asking for donations from businesses as well as assisting in the myriad of duties that makes it a successful event!

But NOW is the time to begin asking for donations from businesses you frequent including wineries, restaurants, nail salons, theaters, etc. Our patrons often seem to enjoy bidding on experiences, such as overnight stays, wine tasting, skydiving, etc., and these items get the most activity. I will be sending out request letters via email that you can download to give to potential donors. I will also have copies available at our general meeting, April 28th.

Think about what YOU would like to bid on and get that item donated please!

SCHOOL BOARD PROJECT

Take Action to Help Kids Feel Safe at School

Kathi Harper, Chair, Public Policy School Board Project

Many of our members have expressed concerns about the potential for ICE raids in our local schools. These intrusions on school grounds are already happening in some places, and are having a significant detrimental impact on these families, especially for their children. Some of the ramifications have included:

- Parents not showing up at school events fearing agents might be there
- Students do not want to come to school, fearing their parents will be taken while they are gone
- Children not learning, consumed by fear of agents coming on campus to take them away

Here are some things you should know:

- Current law (Plyler v Doe 1982) held that all children, even undocumented, have a constitutional right to free public education
- In 2011, DHS issued the “Sensitive Locations” policy, which prohibited raids from certain places including schools
- Although the President has attempted to revoke the order, Executive Orders and Actions cannot change statutes or regulations
- There are currently 4 lawsuits challenging the attempted revocation; 3 from churches have been successful so far, 1 from a school in Denver has resulted in a denial of a request for a temporary injunction
- Current law also prohibits ICE entry on campuses without a warrant
- Even if they have a warrant to enter, that does not entitle them to have access to private/protected student records

Here are two things you can do:

- Urge your school boards/districts to issue a “Safe Zone” Resolution – template can be found here: [Guidance on Immigration Issues | NEA](#)
- Engage your branch members in a postcard-writing campaign to their school boards with following message: WE STAND WITH Immigrant students LGBTQ+ youth

Help monitor our local School Board.

AAUW Public Policy Newsletter

Summary

April 2025

AAUW California Elections - Importance of Public Policy

Be sure to vote for AAUW CA State Board and the New Public Policy Priorities (PPPs) An email was sent to each Branch member from AAUW-CA Public Policy is paramount to keeping AAUW relevant and appealing to a new generation of members.

Candidates to fill open board seats include Missy Mysceko and Amy Horn (current co-chairs of Public Policy). Our work is now more important than ever as California must be a stopgap to protect our residents from the federal attacks on our rights.

For links to details on the items below follow the link: <https://www.aauw-ca.org/public-policy-committee-policy-news>

Lobby Days took place April 8-9 – details and resources provided at aauw-ca.org

School Board Project - Monitors and Observer Training with the goal to ensure School Boards are following state law.

Spreadsheet Resource for **Taking Action** against the objectives of Project 2025 that directly counter the Public Policy Priorities of AAUW California is available on the aauw-ca.org website. Missy Maseyko and Amy Horn have worked with interns have provided an action resource with a clearinghouse for ongoing resistance, including successful political and legal actions and a blueprint for moving forward. Check out all the avenues available on the spreadsheet connected to the link for aauw-ca.org/public-policy.

Actions to take now to protect voting rights

Self- Education: Voting initiatives like the [SAVE Act](#) and [CA AB25](#) (failed on April 9) serve to disenfranchise others as well as the targeted populations - investigate by clicking the titles.

Focused actions: Tell your friends and neighbors about the potential impacts of these two acts

Political Actions: Join [2-Minute](#) activist platform to voice opposition

AAUW California Public Policy has its own Bluesky account. We are just getting started, but we plan to use this account to send out state-level legislative action alerts, promote Resistbot petitions, and provide real-time updates. **We encourage you to create your own account, if you have not yet done so, and follow us!** With the gracious blessings of the California State Board (thank you!), AAUW California Public Policy now has its own social media account--on BlueSky!

Priority Legislation 2025: Stand up for the transgender community.

- Transgender and non-binary people make up a very small proportion of our population: estimated between 0.5%-1.6%.
- Excessive anti-transgender legislation arises from a position of animus, not neutral laws.
- The legislation is frequently focused on trans women and regulating femininity.
- AAUW's mission is to advance gender equity to ALL women and girls.
- The infringement on trans and nonbinary rights is inseparable from broader attempts to restrict women based on gender stereotyping.

Public Policy AAUW 2025 Legislative Agenda

- Support SB 771 - "Social Media Platform Endangering Californians": a social media platform may be liable for civil penalty under existing law if and when its algorithms or AI aid or abet individual users who are engaging in already unlawful intimidation of others in online spaces.
- Oppose AB 579 "Yaeli's Law" This bill rests on the premise that denial of support for youth self-identity, including refusal to use a child's name and pronouns, or refusal to provide or allow their gender-affirming care, is not harmful and therefore should not be considered child

abuse under the law, and, accordingly, not be allowed as a basis for custody or removal decisions.

- Support SB 418 “Ensure Equal Access to Care for All” This bill would prohibit a health plan or a health insurance provider from denying coverage or denying benefits to a person based upon their race, color, national origin, age, disability, or sex - including sex characteristics such as intersex traits, pregnancy, and gender identity.
- For the full Legislative Agenda go to the [Bill Tracking Report](http://aauw-ca.org/public-policy) on aauw-ca.org/public-policy

Concerns about the safety of children at school

Related to the

- ICE raids
- Children_fear for parents which manifests itself in keeping children home, in parents not attending school meetings and events
- Children’s inability to focus in school because of fear for their parents’ safety.

You should know: by law all children have a right to free public education; DHS policy prevents raids on schools; ICE is prevented by law from raiding campuses without a warrant, and even with a warrant they are prohibited from accessing student records.

ACTIONS you can take:

- Urge your district to issue a Safe Zone regulation
- Engage branch members and neighbors to join a postcard writing campaign to school boards with following message: We stand with immigrant children and LGBTQ+ youth. **It is happening in our local Lucia Mar Unified School District. Be alert and support all our children**

FRIENDSHIP OUTREACH

Greetings from your Sunshine Chair, Priscilla Alquist

I am happy to report that, as far as I know, there have been no new falls, but then it is spring and we should be springing up. -Thanks for watching your feet, ladies!! Both Joan Florence and Linda Lidberg are recovering well and the black eyes have faded away. Joan has even attended two political demonstrations, waving her poster with other like-minded folks! Linda is back enjoying her sewing and card groups.

Mary Jorstad was recently featured in a church newsletter, showing a picture from the past of she and husband Bob dancing the swing. They are especially talented and used to do dance demonstrations in Illinois. They have even performed on public television for several Christmas shows and are featured on the cover and throughout a dance textbook. According to Mary, “It’s a lot of movement!” (see article below)

Nancy Sperling and husband Roger have had a difficult bout of the lung congestion that is going around but are recovering slowly and will appreciate your reaching out.

Susan Brazil decided to leave her residence before the owners decided to close it and found a nice new apartment at The Villages on Broad in SLO. Word has it that she can refer people to a reasonable moving company as well that specializes in seniors.

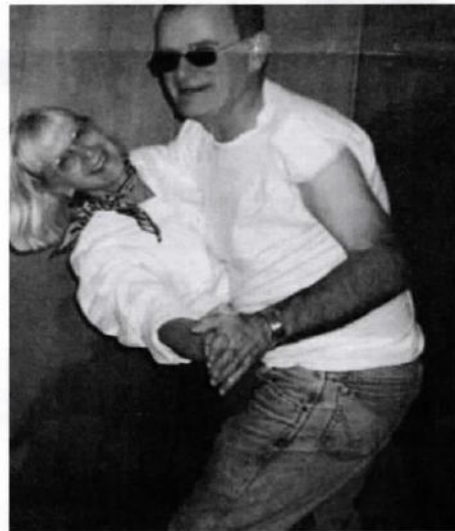

Shirley Holgate's memorial service took place April 12 and long-time member Judy Leonard attended with her family, as they were very close. Shirley was the first AVID Coordinator, bringing the program to AGHS and Judy Leonard was her first AVID Counselor. Shirley created the foundation for its ongoing program and shared her enthusiasm with our Branch, where she was a member for many years. She was also very supportive of scholarships for the high school senior girls. Relationships were very important to Shirley and the service was well attended including by some of her former AVID class from 1996! She will be missed. Stay healthy, get good exercise and check your immunization records!

BLAST FROM THE PAST

BOB AND MARY JORSTAD *OUR DANCING DYNAMIC DUO*

By Nan Lippitt

Fred Astaire step aside. We have our very own Fred and Ginger in our midst! Bob and Mary Jorstad have been kicking up their heels, both literally and figuratively, for their fifty-six years of marriage. They are recent arrivals to the Central Coast, joining family in Nipomo not quite two years ago. While living in Bemidji, Minnesota, they would go out dancing with Bob's parents. After Bob completed graduate school in Idaho, they moved to Charleston, Illinois where he joined the faculty at Eastern Illinois University as a Professor of Geology. Mary was Program Director of a Dental Hygiene Program. At a health outreach event she met Ollie Mae Ray, (Ph.D. Dance) who taught dance at the University. From that point on, it was Cha-Cha-Cha! Bob and Mary would get free lessons in exchange for doing demonstrations for others. The pair is especially talented. Not only do they perform the dances, they also choose the music and Bob does the choreography, which is no small feat (not feet). They do myriad ballroom and Latin dances: Samba, Merengue, Texas 2 Step, Hustle, Fox Trot, West Coast Swing, Tango, Bolero, Bachata, Waltz and many more. Mary in an understated manner said, "It's a lot of movement." Bob said that the Hustle is the most demanding. Think serious cardio. They performed on public television for several Christmas shows. They are even featured on the cover and throughout a dance textbook. Bob

plays the bass guitar with the Praise Band. Mary often operates the sound board at First Service. Presently Mary is recovering from some injuries. They hope to get back into the swing of things, including a performance at the Christmas Variety Show!

P.S. Be sure to ask Bob about his Elvis impersonation.
